I understand that the massage therapist will assess my tissues, but does not diagnose illness, disease, or any other physical disorder. As such, the massage therapist does not prescribe or perform medical treatment, nor spinal manipulation. It has been made clear to me that massage does not substitute for medical examination or treatment. I understand my responsibility to report changes in my health and to give feedback during treatment so the practitioner and I can work together as a team to optimize my experience. If I feel uncomfortable for any reason during the session, I am at my liberty to stop the treatment at any time. As is your therapist, if she is uncomfortable due to health situations or inappropriate comments/or client behavior.

I hereby authorize Market Place Chiropractic Wellness Center, PLLC, Dr. Jeffrey P. Clark, or whomever he may authorize as a Licensed Massage Practitioner to work with my condition through the use of massage therapy and any necessary ancillary care as is deemed appropriate.
